Book and Lyrics by

Music by

DAVID LINDSAY-ABAIRE & JEANINE TESORI

Originally produced on Broadway by
DreamWorks Theatricals and Neal Street Productions

“Original Production Directed by Jason Moore and Rob Ashford”

DAVID LINDSAY-ABAIRE (Book & Lyrics) was most recently nominated for two Tony Awards for his work on Shrek The Musical: Best Book of a Musical and Best Score (with composer Jeanine Tesori). Prior to that he was awarded the 2008 Ed Kleban Award as America’s most promising musical theatre lyricist and the 2007 Pulitzer Prize for Drama for his play Rabbit Hole, which premiered on Broadway at MTC’s Biltmore Theatre. Rabbit Hole also received five Tony Award nominations, including Best Play, and the Spirit of America Award. His other shows include Fuddy Meers, Kimberly Akimbo, Wonder of the World, High Fidelity and A Devil Inside, among others. In addition to his work in theatre, David’s screen adaptation of Rabbit Hole just finished shooting. It stars Nicole Kidman and is directed by John Cameron Mitchell. David is a proud New Dramatists alum, a graduate of Sarah Lawrence College and the Juilliard School, as well as a member of the WGA and the Dramatists Guild Council.

JEANINE TESORI (Music) has written three Tony-nominated scores for Broadway: Twelfth Night (Lincoln Center); Thoroughly Modern Millie (lyrics, Dick Scanlan); and Caroline, or Change (lyrics, Tony Kushner; director, George C. Wolfe). The National Theatre production of Caroline, or Change in London received the Olivier Award for Best New Musical. Her first musical, Violet, written with Brian Crawley, received the NY Drama Critics Circle Award. She has received Drama Desk and Obie Awards, and was cited by ASCAP as the first woman composer to have “two new musicals running concurrently on Broadway.” She composed the music for the New York Shakespeare Festival’s Mother Courage, directed by George C. Wolfe and translated by Tony Kushner. Film scores include Nights in Rodanthe, Winds of Change, Show Business and Wrestling With Angels. She composed songs for the movie Shrek the Third and for the Disney DVD releases Mulan II, Lilo and Stitch II and The Little Mermaid III. Ms. Tesori is a member of the Dramatists Guild. She is a graduate of Barnard College and lives in Manhattan with her husband, Michael Rafter, and daughter, Siena.

Dear Penn Hills Community,

It is with immense enthusiasm that I extend a warm welcome to Penn Hills High School's production of "Shrek The Musical." As the superintendent of the Penn Hills School District, I am deeply honored to be part of such a vibrant and talented community.

I understand the pivotal role the arts play in our district's curriculum. Our annual musical productions, eagerly anticipated by our students, provide students with a platform to further explore their creative endeavors. Participating in these productions allows them to discover their unique voices in musical theater, displaying their talents, expressing themselves, and fostering confidence.

To our dedicated students who have invested countless hours memorizing lines, mastering songs, and perfecting dance numbers, we eagerly await the opportunity to witness your remarkable creativity and dedication as you bring "Shrek The Musical" to life. I commend each of you for bravely stepping outside your comfort zones and embracing new challenges to create something extraordinary for our community to enjoy.

To the families, teachers, and staff who have provided unwavering support throughout this journey, I extend my sincerest gratitude. Your encouragement and guidance are instrumental in empowering our students to excel both on stage and in the classroom.

To our esteemed community members joining us for the Penn Hills High School production, thank you for your steadfast support. Your presence underscores the strength and unity of our school community, and it is your ongoing support that enables us to provide such enriching experiences to our students.

A NOTE FROM THE DIRECTORS

On behalf of our entire Directing Team, it is my privilege to welcome you to Penn Hills High School's production of SHREK THE MUSICAL, with music by Jeanine Tesori and book and lyrics by David Lindsay-Abaire. It is based on the 2001 Dream Works Animation film Shrek, along with elements of its sequels: Shrek 2, Shrek Forever After and William Steig's 1990 book Shrek! After a trial run in Seattle, the original Broadway production opened in December 2008 and closed after a run of over 12 months in January 2010. It was followed by a tour of the United States which opened in 2010, and a revamped West End production in 2011.

Upon selecting SHREK as the 2024 musical, we were cautioned by many of our peers in the theater community that this was a very 'big' show; man were they correct! From the costuming to the make-up to the sets to the staging, this show is a monumental undertaking in just about every dimension conceivable. In fact, many of our departments began working on this project before last year's musical, MAMMA MIA, was even completed. One of the highlights of this production was bringing in the entire cast to help make trees, design signs, and paint the set. It really has been all hands on-deck and thus the show you will see is a collaboration of all involved in the truest sense.

In selecting SHREK, we had the opportunity to explore some themes that are very relevant to our students, and for that matter, all of us. In the first act, the fairytale creatures unanimously bemoan the fact that they are bullied and that their stories are manipulated and falsely represented, saying "That's the story of my life." But late in the 2nd act, Gingy rallies the "troupes", saying "We spend our whole lives wishing, we weren't so freakin' strange. They made us feel that way. But it's they who need to change!" When stripping away the music and the costumes and the makeup, these are quite profound words. The world has become so complicated and scary for our young people, with the influence of social media and other technology hard to quantify. How many of our students feel bullied, misrepresented, and misunderstood? Our world needs more love, acceptance, and understanding. It is our hope that this show has influenced our students, and will influence you, to hold these ideals in the highest regard. As Shrek comes to realize, "It's a Big Bright Beautiful World, with possibilities all around."

Though it would be impossible to thank everyone who contributed to this show, a few thank you's are necessary. First and foremost, a huge thank you to Kelly Frey for designing and crafting our fantastic dragon! Additionally, much appreciation to Bill Holodnik and Dirk Page for the blood, sweat and tears you put into creating the Duloc Castle, Fiona's Tower and the rest of our on-stage destinations. Thank you to Diane Tirio and your hard-working costuming team for your meticulous dedication towards bringing our characters to life. And finally, thank you to the students, both those on and off stage, for all the time and energy you poured into this show. You continue a rich tradition on the Penn Hills stage and we couldn't agree with you more when you sing the concluding words of the show's finale: "This is Our Story!"

Sincerely,

The Creative Team

Mariah Mathis

*Mariah,
Congratulations!

dedication and

Good Evening,

I would first like to thank you , the audience, for coming and supporting our shows. Many of you have been coming for years. Each year I see the same faces. It is wonderful to know that we have such constant fans.

I am both sad and happy to announce that this is my last show as Artistic Director. My sadness is the sweet and nostalgic melancholy that accompanies the end of a career, and my happiness is from knowing that I leave the program in the hands of a new team dedicated to its success.

I have always said that I admire any theatrical team who completes the enormous task of putting on a high school musical. It takes a special type of optimism and a lot of faith to attempt to accomplish what almost always feels overwhelming. The hours are long and the problems are many; however, there are few endeavors that can claim the rewards of an opening night.

I never thought that I would end up directing for 22 years when I first accepted the contract to direct *The Wizard of Oz* in 2002. Each show is special. A theatrical production never turns out exactly as you envisioned it. The cast creates a version of the characters that often exceed your expectations, and when the set and costumes are added, they transform and complete the picture. The final product is often surprising and always a joy to watch. I have never gotten tired of looking at the sense of accomplishment on the smiling faces of the cast at the end of a show. It is highly addictive and probably why I am still here. It is a true labour of love. I feel blessed to have had the opportunity.

There are so many memories that I can not imagine trying to reminisce in this short note. However, I would like to mention how grateful I am to have had so many colleagues and parents whose talents were given freely to make sure each of the 22 musical productions came to fruition. There are too many to list here, but I want to give a special thanks to Diane Tirio who has been right beside me from the beginning. She has a bottomless love for our students which is reflected in her attention to every beautiful costume she creates. I will always be grateful for her kindness and support.

For our future directors, I will give one piece of advice. Pay attention to that magical glow you feel in your heart on closing night. Bask in that glow. Hold it all summer. It is what will keep you jumping back on this crazy merry-go-round next year! Penn Hills, It has been a joy!
